

CYCLOPS' EYES HALLOWEEN

Ingredients (For approximately twenty eyes)

- 300 g concentrated milk
- 200 g grated coconut
- 20 g grated coconut to garnish
- Red food colouring
- Smarties
- 30 g dark chocolate

Preparation:

In a bowl, mix the grated coconut with the concentrated milk and chill for 2 hours in the refrigerator.

Once the mixture has chilled, scoop up a ball with a soup spoon and shape it into a ball with your hands.

Add a Smartie and draw veins using an edible red pen.

Melt a bit of chocolate in a small saucepan. Once melted, use a toothpick to draw a pupil on the Smarties.
