

EVIL POTION ☹ HALLOWEEN

Ingredients (For 4 glasses of potion)

- 1 tin of lychees
- 1 pack of Dragibus
- Grenadine syrup
- Caster sugar
- Mint syrup

Preparation:

Drain the lychees and separate the black Dragibus candies from the packet.

Insert a Dragibus into each lychee to represent an eye and reserve.

Prepare 1 l of mint syrup and chill to reserve.

Pour a bit of grenadine syrup into a saucer and place a small amount of sugar in a bowl.

Dip the rim of each glass into the syrup, then in the sugar.

Fill the glasses with mint syrup, then immerse two eyes in it.
